ABOUT US

Slovenia is a country desperately in need of the message of hope in Jesus Christ. There are many strongholds; namely depression and alcoholism. As a direct result, it has the 5th highest suicide rate in the world. Of the population of 2 million, less than 1% are evangelicals. We will be the only AGWM missionaries to Slovenia. We plan on partnering with the national Pentecostal church and supporting their ministry. God has given us a unique opportunity to re-pioneer Slovenia and help develop an even stronger Pentecostal presence there. We also plan on reaching out to marginalized people groups by spreading God's message of love and hope for all.

SHOWING THE SLOVENIAN PEOPLE THERE IS HOPE IN OUR SAVIOR, JESUS CHRIST.

together we're going **BEYOND** the **BORDERS**

BORDERS DEFINE US AS HUMANS.

They tell us who we are, where we live, our limits and sometimes even what we stand for. At one time, they defined whether we could take the Gospel to certain parts of the World. But when it comes to Borders, God finds ways to use them, bypass them or shatter them to bring His Word to people. This past five year term, God has defined our family's lives and ministries by taking us Beyond the Borders!

ABOUT US:

Fred & Crystal serve as veteran missionaries at Global University of the Assemblies of God as the Chief Engineer of the television studio. They married in December 1990 and received their missionary appointment in 1995.

Fred's call is to use technology to take the Gospel where it cannot be easily sent.

Crystal's passion is to help people in need; praying and ministering to them. She has enjoyed several opportunities to speak at women's conferences.

Their oldest son, Phill is a senior at Evangel University studying Music Industry. He enjoys composing music scores for movies.

Stephen, their middle son is a senior in High School and enjoys going on missions trips every year.

Their daughter, Hope is in the sixth grade and enjoys competitive figure skating.

The Kovach's are based in Springfield, MO.

PRAY FOR THE BROWNS

Austin, Shanda & Audrey

SERVING IN ULM, GERMANY

OUR MINISTRY

The Brown's ministry revolves around discipleship and church planting. Based out of the International Ecclesia Church of Ulm, Austin and Shanda serve as directors of an 11 month discipleship school. They believe that discipleship is a relationship that is intentional. Simply put: Live on purpose, with a purpose. Their home church in Ulm, Germany, is focused on planting churches and training young people to impact their world and has planted 2 churches in the last 5 years in the cities of Munich and Stuttgart. Austin and Shanda helped to plant the church in Stuttgart where Austin serves as Co-Pastor. The Brown's believe that God is leading them to help plant more churches around Germany.

OUR GOAL is to see strong churches planted in southern Germany and to graduate students that are committed to Christ, solid in their faith, full of the Spirit, and who understand how God has hardwired them to reach their world, serve their communities, and strengthen their home churches.

"We are honored that the Browns are ministering with us in Ulm, church planting in Stuttgart, and directing our discipleship school. Today we have a solid church in Stuttgart, their students are having a great impact on their churches, and we look forward to their return to Ulm, when we will launch a new international service. Austin and Shanda are great people that we love to work with. They are spiritual, full of integrity, honest, hard working, organized and authentic. As I said, we are honored to work with them."

"My time at the discipleship school with the Browns changed my life. Through the time we spent together with God, the classes, outreaches, community service, and serving in the church, my life in God grew like never before. Austin and Shanda are great examples of what it means to be a light that shines in the world. They have become like a 2nd family for me."

MEREYAME AMANUEL – former student
Darmstadt, Germany

"I would like to recommend Austin and Shanda Brown, not only as ministers in good standing with the Kansas Assemblies of God Ministry Network, but as experienced missionaries to Germany. Our church is proud to call them a part of our missionary outreach and have supported their ministry financially and prayerfully for several years. They have a proven track record of ministry and are highly respected by their German brothers. I have personally known Austin and Shanda throughout their ministry career and they are people of integrity that seek God's favor and will. I would recommend them to you as missionaries you can be proud to support."
